Subject: Master Thesis position Aalto University

Dear EMMEP (EMC+EMREC) students and colleagues,

At Aalto University, in Prof. Serna research group [there is](#) an open position for Master Thesis or summer work. Could you please help us spreading the voice among the emmep cohort?

The field of study is: Recycling and Circular Economy; with the topic of: Characterisation, Development of Separation Process for Shredded Thermometric modules.

The project is in cooperation with the CloseLoop Project <http://closeloop.fi/en/>

If you are interested, please contact Rodrigo Serna (Rodrigo.serna@aalto.fi) or Omar Velazquez, Doctoral Candidate (omar.velazquezmartinez@aalto.fi), fi_mobile: +358-503-551-710

Kinde regards,

Hans de Ruiter
